HAWAIIAN MEDLEY.

So if anybody knows what we're Here is what he told me when L talked with him in his studio at

"The waitz will be very popular. The one-step will be danced by people who can't do anything else and who want to learn dancing in three minutes. The foxwill retain some popularity. placed, by the polks. People are going to take to that because it is livelier and quicker than the trot. The real novelty of the season, however, and the dance that will rule every ballroom before

spring is the Hawaiian Medley." "And yet you've told me that there Rufus Morton, an ironworker, forty-; the bailroom suggestive, intensely

"And yet you've told me that there will be a movement to banish from the ballroom suggestive, intensely physical dancing." I interrupted surprisedly. "How can a chastened, coldly classical dance be set to the beautiful, sensuous intoxicating Hawaitan music?"

"At first," Mr. Chalif admitted, the Hawaitan bullroom dance doubtiess may not be performed in the manner proper for a social dance. But the native movements will be modified very much, and eventually we shall have a dance as harmless as the one-step—which, you know, was evolved from the turkey trot.

Professors of dancing will do every— Professors of dancing will do everyevolution. The outstanding feature of the dance, however, will be the

characteristic Hawaiian zigzag, "The animal dances and dancers graceful animal. A dance named for him is passable. But who could want to perform evolutions entitled 'walkin'-the-dog?' A cat is a graceful beast, but a dog is notably awkward.

"I do not believe in calling dances by vulgar, unbeautiful names," Mr. Challf added, with some vehemence, "Give a dog a bad name and hang him; give a dance a bad name and destroy its value for cultured and refined persons.

PROPRIETY WILL RULE IN THE COMING DANCES.

"Tell me about the new position," I equested. "The man and woman must stand at least four inches apart and each alightly to the side of the other," Mr. Chair stipulated.
"The man may not clasp the
girl's hand and press it to his
shoulder, nor may he hold it so
that his elbow and hers form ugly
angles. The arms must be
strotched sut full length, the
hands barely teuching. There
must be no clasp. The girl must
look over the man's right cheulder, and he over hers. There must be no heart-to-heart pres-sure, no rapt gazing into each other's eyes.

other's eyes.
"This position gives greater physical ease and freedom than a closer class, and therefore the health of the dancers benefits. Aesthetically, too, the distant attitude is the more beautiful and, finally, moral considerations on the side of the standard position I have described."
"Out in Chicago," I mentioned, "they have just recommended as a "they have just recommended as a ballroom favorite the 'two-iwo,' which seems to me nothing but a

REFORMER.

"It is a two-step," Mr. Chalif pro-nounced. "And I feel sure that it will not be popular here. New York has grown beyond the two-step. We have the even simpler one-step for the persons who don't wish to take the time and effort to learn real dracing. Those advanced beyond this class want more subtle measures
